How do I log in to my account?

You should type (or copy) the following web address into your computer's web browser: **soile.braintrain.fi**

Next, you should click on **Login** found in the upper right corner of the page (see Figure 1).

Figure 1

Now you can log in to your account that you created the first time you entered our experiment website (see Figure 2).

- Log in to your account by typing your username and password in the empty boxes found below **Sign in** on the left side of the page.
  - **Type your username (i.e., your Prolific email address) in the upper box.**
  - **Type your password in the lower box.**
- Then click on the green **Login** button that is located below the boxes.

Figure 2

After that, you are logged into your individual experiment platform!
